All Funds Raised are used for financial assistance including water, utilities, rent, and other prevention services to keep families in their homes.

8th Annual

November 2026 - Join 500 community members in helping to eradicate hunger in West Volusia County! This popular family-friendly event sells out every year. Enjoy over a dozen soups made by local popular restaurants, bread, and desserts. Attendees choose a handmade ceramic glazed pottery bowl as a souvenir - last year we had 50 bowls donated by professional artists. All funds raised directly support our food pantry and other homeless prevention programs.

August 2026 - Join 100 community members and bring your cozy robe (or rent one) and enjoy a buffet breakfast as we honor volunteers and recognize donors for their support. Celebrate with us as we present awards for outstanding service, gracious and generous giving, and dedicated volunteerism. This event features a keynote speaker sharing inspiration and the current state of homelessness in our community. All Event Proceeds go to benefit The NHCWV programs and client services.
